

COMPLETION, PLACEMENT, LICENSURE RATES
Effective April 2017

Acceptable rates for Completion and Placement as calculated on the COMTA Student Rosters:

Program Length	Completion Rate Benchmark	Placement Rate Benchmark
<= 6 months	65%	65%
7 – 12 months	60%	
13 – 18 months	51%	
19 – 23 months	47%	
24+ months	40%	

If a program reports completion/placement rates lower than the COMTA benchmarks, improvement plans and additional monitoring or reporting will be required as deemed appropriate by the Commission. If a program demonstrates a pattern of not meeting the benchmarks, adverse action by the Commission may be taken.

Benchmarks for licensure exam pass rates (e.g. MBLEX) are still being analyzed and not yet in effect.
