Announcement:

The Commission on Massage Therapy Accreditation (COMTA) would like to announce that at its October 2008 Commission Meeting, the Commission acted to expand its scope to include distance education (within its accreditation authority) and the inclusion of skin care/esthetician schools and/or programs.

The following Policy and Procedure Change(s) have been enacted as of the October 2008 Commission Meeting:

- 1) A school placed on show cause or probation shall not make substantive changes during the period of show cause or probation order, without written authorization from the Commission.

A change in leadership refers to “a change in position of authority for making daily management decisions that affect the institution or program”. Changes in leadership only apply to such persons as the CEO, President or Executive Director. All other changes must not be submitted to the COMTA office.
